**Inspirational Women in Asian  
Business and Government  
What Makes Them Succeed**

James C Sarros, Peter W Reed & Anne M Hartican

**Synopsis**

What makes women executives tick? How do they get to the top in predominantly male dominated cultures and business environments? These and other compelling questions are answered in this book. We provide guidelines for aspiring young women who want to excel in their chosen professional field and exhibit strong business and organisational leadership. Listening to the words and ideas of the incredibly successful and inspirational women in these pages will assist you to develop a strategy for establishing a personally meaningful professional life and successful career.

**About the authors**

**James C Sarros** is Professor of Management, Monash University. He received his PhD from the University of Alberta. His research interests are organisational leadership, culture, values, and character. He has published over 100 articles and five texts in the area and conducts corporate workshops on leadership character.

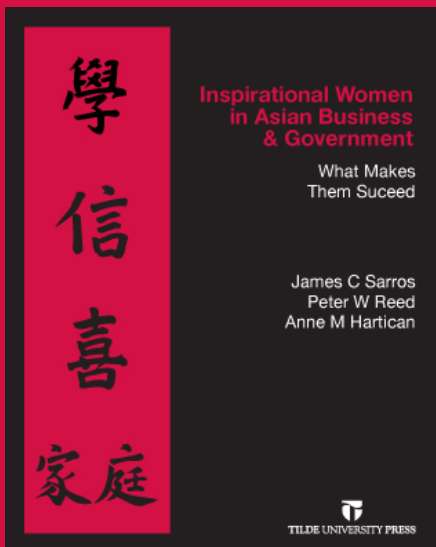

**Peter W Reed** is Associate Professor of Marketing and MBA Director of the MBA Program, Monash University. His research and teaching interests are centred around management decision-making processes particularly in the area of strategic marketing planning, marketing management, and innovation. Peter has a PhD from the University of New England and a Master of Business (Marketing) degree from Monash University.

**Dr Anne M Hartican** is the principal of CLiC Consulting. Anne specialises in individual and group leader development programs which have an emphasis on building personal and organisational resilience.
